## District 6110 Newsletter

### District Governor, Pam Crawford

Hello Rotary Friends!

As of this writing, I have visited 60 of our 74 clubs, plus a satellite club and our students at RYLA. I'm still enjoying the visits so much. And our part of the United States is so geographically fascinating, from the very hilly areas to the flat plains. I'm also experiencing a few of your socials and service project; I look forward to doing more of those in 2024. We will also start telling you more about the District Conference in May 2024 starting in January.

I find myself thinking about how Rotary has blessed my life, and after some thought, decided to make this a "prayer" of thanksgiving. Some families offer one prayer. Sometimes everyone says what they are thankful for, and that is what I'm going to offer in this newsletter.

*Thank you* for clubs that are *Creating Hope* in their own communities and worldwide. And *thank you* for warmly welcoming me and the assistant governors on my visits. (I really appreciate my Assistant Governors and Coordinators!)

*Thank you* for **ALL** the people who are leading efforts to help our children and youth, like: people delivering a dictionary, people acting as a host family for an inbound Rotary Youth Exchange student, the chaperones at RYLA, the sponsors of an Interact Club, so many giving to ensure the next generation is well equipped to lead.

*Thank you* for the Past District Governors creating District 2 District; I can't wait to hear from the Rotarians currently visiting Chile. And to welcome Rotarians from Chile to our wonderful District 6110. (And *thank you* PDGs for just being supportive!)

*Thank you* for people willing to do international missions, vaccination days, new water wells, medical supplies, wheelchairs, especially those willing to try a journey outside the USA for the first time because Rotary is opening a door they couldn't resist.

*Thank you* for all involved in Medical Supply Network Inc.: money for transport, time sorting supplies, working on the board, cleaning the warehouse area. We don't know how many people we have touched by sending medical supplies all over the world.

A special *Thank You* for the hero nurses taking the polio vaccination to the remote areas of Afghanistan and Pakistan so that we can eradicate a crippling disease.

*Thank you* to all the wonderful restaurants, caterers, and club members that have provided the meals at all the club meetings - oh my...yummy!

*Thank you* for giving to The Rotary Foundation. It allows us to have grants to help our local communities, give to End Polio Now, and support global projects that show we are about Service Above Self.

*Thank you* to all of you for all the leadership you show as People of Action. That leadership

is centered in the clubs and grows to the district, zone, and Rotary International! I know I haven't named everything or everyone. But please know, all of you, you inspire me to Create Hope!

Happy Thanksgiving!  
DG Pam

P.S. Beau and Joey told me to add: *Thank You* for the dog treats that have come their way while traveling as the District Dogs...nummy, nummy...

## RYLA 2023 V2.0 Wrap Up

Dear 6110 Rotarians,

I hope you had a great week! As Tracey Dean and I have recovered from our amazing week of RYLA, I wanted to take a moment to share the outcomes of the camp this year as well as a few media items that you can share with your club.

First and foremost if your club is not sending kids to RYLA camp I would love a personal email, call, text, etc so that my team of leaders can lean into your club with a program, calls, connections etc. As the district youth leadership camp, I would love to see every club actively engaged by sending students.

- We had 141 campers at camp last month
- Since 2011 when Tracey and I began to support leading camp, we have served 2,143 campers through RYLA!
- We had 33 leaders return to serve at camp as a CIT, Chief, or Leadership Team member.
- We had 26 Rotarians give 4 days of service
- In total, we had over 5000 hours of Rotary Engagement through RYLA last month!

RYLA for 2024 is October 17-20th - plan for sending at least one or two from your club if you have not done so before.

Here are 2 videos that provide a recap of camp as well as a shorter "commercial" for 2024.

[And here is our Facebook page where many photos of camp are housed.](#)

Again, if I or my leadership team that supports RYLA year round can support your efforts to get more students or engage your club for the 1st time, please let me know. I have traveled as far as the district goes to share the message, nothing is out of reach.

Yours in service,

*Many of us can point to a time when we "got it" and became a Rotarian...not just someone who goes to club meetings. Please share your experience and send your "Rotary Moment" to DPIC Wally Bloss [wbloss@gmail.com](mailto:wbloss@gmail.com)*

I have rarely ever traveled outside the United States but have had many opportunities to enjoy friendships with many Rotarians who reside in various locations beyond our borders. This group of friends and I share a common passion for all things Rotary and this became deeply apparent to me when I was our district's delegate to RI's Council on Legislation that was held in Delhi, India, early in 1998. In my mind at the time, that 5-day meeting was Rotary's version of a mini United Nations gathering hosted in the largest ballroom of the headquarters hotel in Delhi. It was my rare opportunity to experience up close and personal the various language translation booths in action. What a powerful impression that left on me..... wearing head phones when any speaker was not speaking English was a totally new experience for me and made me appreciate the extent to which Rotary goes during each of its international meetings to make sure that all who attend are included in all that is taking place.

There are eight Rotary-identified official languages - English, French, German, Italian, Japanese, Korean, Portuguese, and Spanish. What a massive effort this language accommodation turns out to be!!

The impact of experiencing it taking place in such a personal and controlled setting was an eye-opening experience for me that I will recall forever. I left that historic meeting as a significantly more deeply committed ROTARIAN to everything Rotary is and does to build goodwill and better world-wide friendships.

THANK YOU, ROTARY!!"

## Your Rotary Foundation

By Edwin M. Hardesty

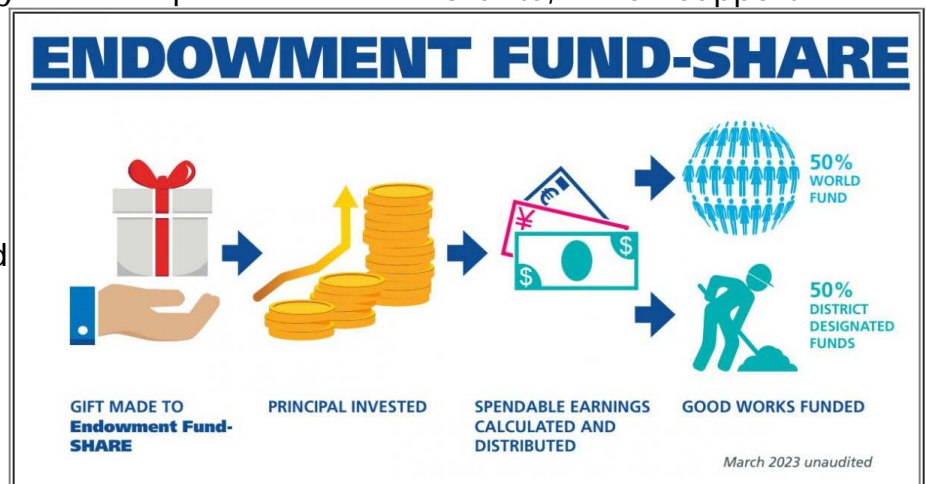

November is Foundation month. The Rotary Foundation (sometimes we say "TRF") is what separates Rotary from all other civic and service organizations. The mission of The Rotary Foundation of Rotary International is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. For fourteen straight years,

The Rotary Foundation has been given a four-star rating, the highest of any charitable organization, by Charity Navigator. When you give to the Rotary Foundation, you know that your gift will be handled with integrity and will impact a life in your local community or somewhere in the world. With many other charities, you send a donation to unknown persons who make decisions as to the administrative overhead and the use of the funds. When we contribute to the Rotary Foundation, our donation is managed by Rotarians and all of our projects are initiated and carried out by Rotarians. Our Foundation is unique in that not only do we contribute the funds, we manage the funds and do the projects.

The Rotary Foundation has almost wiped polio from the face of the earth. In 1985, when Rotarians made a promise to the children of the world to eliminate polio, there were over 350,000 active cases in almost 200 countries with 1,000 new cases a day. Now cases of the wild polio virus are limited to parts of Pakistan and Afghanistan. We will not rest until the world is declared polio free. Your contributions to polio will make it a reality. For as little as 60 cents, a child can be protected from polio.

When you give to the Annual Fund, you make possible District Grants, which support humanitarian projects, scholarships, youth programs and other projects in our local communities. Annual Fund contributions also support Global Grants, which support international projects that address maternal and child health, water and sanitation, disease prevention and treatment, peace and conflict resolution, education and literacy, economic and community development and supporting the environment.

Your generous gifts to the Rotary Foundation change lives in our local communities and throughout the world. Highlight the work of our Foundation during this month. Schedule a program on the Rotary Foundation during this Rotary year. Celebrate the fact that the Rotary Foundation is doing good in the world, and that your contributions make it possible.

Ed Hardesty, PDG  
District 6110 Foundation Chair

**WHAT'S THIS ALL ABOUT? The Rotary Foundation is OUR Foundation! We fund it, we spend it, we make things happen! Yet more than half of the District 6110 Rotarians do not give to it. We can do MORE good in the world with your support. Please join us!**

Club Hub - November 2023

"The Club Hub"

District 6110 Rotarians are *People of Action!*

**The Fort Scott Rotarians** are actively collecting luggage for children in foster care. They also do Christmas gifts and a party for the children. Here is President Kathy Dancer among the luggage. The club is partnering with local churches and PEO.

**The Mountain Home Rotary Club** presented new and additional Paul Harris Fellowships recently. DG Pam assisted and Club Foundation Chair Steve Litty (inset) was instrumental in getting this done! (L to R) President Mike Stockton, Allen Moore, Charlie Crosslin, Scott Booth, Scott Sillence, Mark Hopper, Jay Chafin, Karolyn Cooper, Trevor Himschoot

The **Will Rogers Rotary Club** recently participated in Leadership Tulsa's Trunk or Treat event. It looks like they got in the spirit and all had a great time being People of Action!

**Vinita Rotary Club members and "Senior Rotarians"** (as in seniors in high school - like Interact club members) helped out at the Vinita Octoberfest recently.

The **Grove Rotary Club** has taken on the Dolly Parton Imagination Library as yet another of its big projects. DG Pam congratulates Mary Richardson, the DPIL chair on providing books to 1,000 students! (Need a chuckle? - [click here](#))

**Holiday in the Wood**  
hosted by the  
**Rotary Club of Will Rogers**  
in partnership with the  
**Route 66 Alliance**  
**Thursday, November 30, 2023**  
**5:30 pm - 7:30 pm**

The **Will Rogers Rotary Club** invites all to their Holiday in the Woods fundraiser! \$40 for a great time including appetizers, beer, wine, door prizes, music and a fine fellowship opportunity.

## Princess Ball

The **District 6110 RYLA (Rotary Youth Leadership Awards)** have helped 2143 Campers be awesome, climb the wall, give free smiles, and make leaders. [Here's a promo video](#) for next year.

The **Mt Vernon Rotary Club's** efforts at Apple Butter Makin' Days (ABMD) was an outstanding success raising almost \$16,000. Here are Kedron Blecha, Christopher George, Wilbur Swearingin and Brian George helping (?)

**The Two Joplin Rotary Clubs** work together to deliver dictionaries. Here are two third grade classes in the same school. One class has a student whose face cannot appear in a photo. Always ask first before taking pictures!

The **Alma Rotary Club** likes cookies....who doesn't? Get your cookies in Alma (why not?) on December 12 from 11:30 AM to 1:00 PM. What a sweet fundraiser! #COOKIES!!

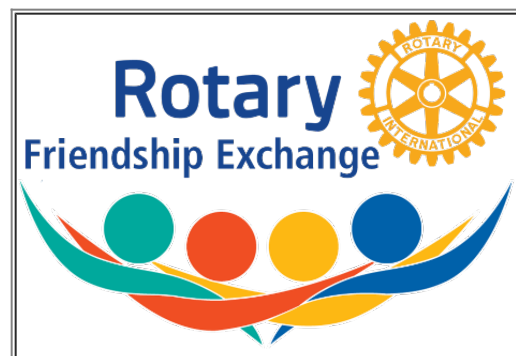

The **Iola Rotary Club** has a "Grocery Grab" at a local store. Six names have made it to the "semi finals" then on Nov 18 one of them does the "Grabbing." Last year's "grabber" got over \$850 in groceries!

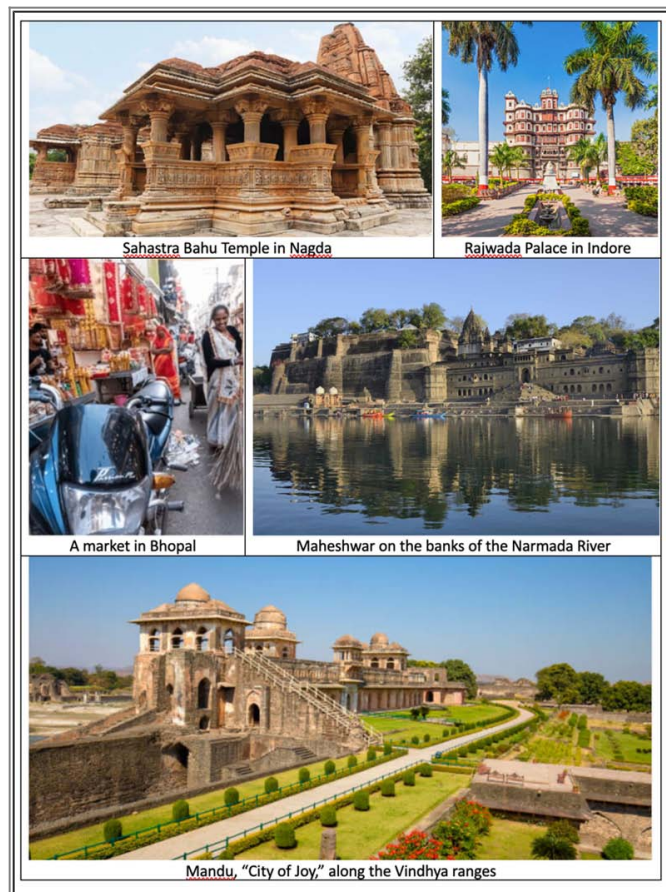

The **Jenks Rotary Club** planted a whole bunch of flora at the Veterans Park. They posted a video clip that attracts attention! Looks great!

## An Invitation from District 3040 in Central India

District 3040 of central India extends an invitation to District 6110 to participate in a team Friendship Exchange in the 2023-2024 Rotary year. They recommend visiting them during the temperate months of November, 2023 to February, 2024, when most activities and festivals are held. This advance invitation provides time to recruit team members and decide on the purpose, format, timing, logistics, and duration of the reciprocal visits.

A Rotary Friendship Exchange is an international exchange program for Rotary members and friends that allows participants to take turns hosting one another in their homes and clubs. All exchanges are funded by the participants and their districts, and hosts are not expected to assume a significant financial burden. Exchanges offer unique chances for cultural immersion and interchange. In addition to forging friendships with our extended Rotary family around the world, exchanges often incorporate educational opportunities, cultural experiences, vocational activities, and fellowship opportunities.

Located in central India, District 3040 covers a large and diverse geographical area within the states of Madhya Pradesh and Gujarat. With a rich tradition of art, handicrafts, tribal arts, stunning architecture, and heritage sites, this area provides visitors with a broad overview of Indian culture.

Once in India, our hosts assure us that travel is also easily arranged to visit some of India's most iconic sites, including the Taj Mahal in New Delhi-Agra, the city of Jaipur, the temple architecture of Khajuraho, the Kanha Game Sanctuary, Udaipur "City of Lakes," Ranthambore's Tiger Sanctuary, and Chittorgarh "City of Forts."

If you are interested in helping to plan and/or participate in this Friendship Exchange, please contact Rebekah Wood, District 6110 RFE Chair, [rpkwood3@gmail.com](mailto:rpkwood3@gmail.com), cell (918) 882-2980.

## My Rotary Moment: Laura Garrett

*Many of us can point to a time when we "got it" and became a Rotarian...not just someone who goes to club meetings. Please share your experience and send your "Rotary Moment" to DPIC Wally Bloss*

My Rotary story really began at birth. My grandfather, Otto Thompson, was a geologist in Oklahoma City and a very active member of the Oklahoma City Downtown Rotary Club. When my father and mother returned home from Princeton as a young couple, my father was starting a new career in banking and my grandfather recommended that he join Rotary. My father became a member and a President of the North OKC Rotary Club. In fact, a plaque on Rotary Park in OKC bears his name. I remember going to ring the Salvation Army bell with him and the charity Christmas parties that his Rotary club held. He always wore his Rotary pin. He was a major advocate for opening Rotary to women. One of his proudest moments was when I was named an Assistant Governor of District 6110. It is his Past President pin that I wear proudly.

## **It's not too late for your club to participate in the 4-Way Test Speech Contest!**

**By Co-Chair Ron Petersen, Sr**

Rotary has always helped young people! If your Rotary Club isn't involved in the Four-Way Test Speech Contest, will you make a difference by helping high school students in your community understand and live by some ethical and moral lessons?

The contest for many clubs has become an annual project that brings the principles of Rotary to the youth and into homes and schools. You could be your club's kingpin to not only teach them both business and personal ethics but reward them for the really cool way they expressed those principles, AND if they are good enough, they could win "serious" money to help them further their education.

Suppose this club project of yours provided excellent opportunities to promote Rotary in your community and through the news media.

Suppose the project became one of the most popular club programs and the highlight of every year, at very little cost.

The Four-Way Test Speech Contest will soon be considered one of the highlights of the Rotary year. The cost is minimal; prize money for your local students, ranging from \$100 to

\$500, normally. After a process of elimination, four finalists in the district will then give their speeches live at the District Conference Luncheon May 4<sup>th</sup>, 2024, for prize money up to \$1,000.

This scholarship contest is open to all young men & women in grades 9 to 12 in public, private and parochial schools and home schooled. The Rotary 4-Way Test speech contest offers an opportunity for educators to provide an ethical learning opportunity for young people. Students in participating classes should be asked to write a short essay on the subject: "What the Rotary Four Way Test Means to Me" that can be read in six minutes to their entire class.

It is essential that students not be limited in any way in their choice of topics. We should encourage innovation and creativity in their selection, even if it seems off-the-wall to us, or states a position that might be controversial or held only by a minority.

The only criterion: The student's presentation must specifically relate in the essay or speech to Rotary's Four-Way Test. It can be humorous or serious, current or historical, commonplace or unique.

YOUR GOAL: Contact your local people NOW and get rolling to have your club contest completed in no later than January 31<sup>st</sup>, 2024. You will provide a thumb drive of your final club winner by the end of February to be included in the competition at the districts semi-final level. MY GOAL: More Clubs in our District Participating.

After a process of elimination: The final round will be held at District Conference this coming May where the final four will deliver their speeches "live" for the money! The winner receives \$1,000. Each Runner-up receives \$350.

Links to YouTube videos of the Final Four and a complete manual are available on our district web site [www.rotarydistrict6110.org](http://www.rotarydistrict6110.org) With the videos and everything you need in the manual found there, you should be able to get going quickly! To navigate; point at "Youth Services" then click on Four-Way Test Speech Contest, or click [here](#).

Look beyond yourselves and make this happen for the young people in your community.

Thank you, and good luck!

## Welcome New Rotarians November 2023

Have you welcomed a prospect to your Rotary club?

November is a great month to solicit new members! Some clubs really work at it - they may ask a prospect to help deliver dictionaries, or pick up trash, or help with whichever action project your club does. Get their hands dirty and they'll be interested!
