## From the Governor

By David F. Menz

Greetings Fellow Rotarians and Friends,

We are now in the third month of the Rotary Year. I have visited twenty clubs. It would have been twenty-five, but life intervened -- funeral of a dear friend, spouse's surgery, positive covid test, and a twenty-four hour shutdown of I-40 east (which also affected Highways 64 and 70). Sorry West Memphis, I'll see you on October 4th.

I did not expect to enjoy the visits as much as I have. I have installed new club officers, met the leaders of a Interact Club, witnessed the introduction of new members (three at one club), awarded multiple Paul Harris Fellowships (four at one club), and attended the dedication of a club's centennial project.

The District 6150 clubs have unique personalities and varied legacies. However, they all have a common interest in children and young adults. Rotary's September monthly theme is Basic Education and Literacy. Every club has a project or projects which touch on this theme. They include book and dictionary donations, furnishing school supplies and backpacks, mentoring programs, scholarships, and various other imaginative ways to encourage young people to seek success.

The lead article in the September issue of Rotary is entitled "The Gift of Reading" which describes a Rotary literacy project in Guatemala. In District 6150, a member of my club, Michael Poore, the recently retired superintendent of the Little Rock school district, states that if a child is not reading at grade level by third grade, that young person's chance at future academic success is greatly reduced. So we Rotarians need to do what we can to encourage and aid our young people, with a focus on literacy for the youngest. I have mentioned the possibility of a project to some of the clubs I have visited, based on my own experience at an early age. I'm anxious to hear if some clubs try it out.

I'm looking forward to my remaining visits.

Let's Have Some Puns

I was addicted to the hokey pokey, but thankfully, I turned myself around.

I stayed up all night to figure out where the sun goes. Then it dawned on me.

## Four Clubs Receive Rotary Citation!

By James Edward Arbuckle Sr. on Tuesday, September 6, 2022

Four clubs in our district earned the Rotary Citation for Rotary Year 2021 - 2022.

Congratulations to the **Rotary Clubs of Jonesboro, Helena, Sherwood and Wynne!**

The Rotary Citation is the most significant award a Rotary club can achieve. During a year that was challenging for many Rotarians around the world, these clubs demonstrated a commitment to achieving their goals, which ultimately helps strengthen Rotary and shape our future.

The Rotary Citation awards recognize the hard work clubs do throughout the year. Taking action toward achieving the citation goals helps clubs engage their members, stay relevant in their communities, and run more efficiently. A welcoming and engaging club also reflects the values of Rotary. When clubs achieve citation goals, they contribute to the overall health and culture of Rotary for generations to come.

Your Rotary, Rotaract, or Interact club can earn a Rotary Citation for this Rotary year! All you have to do is achieve goals that strengthen Rotary and your club. Goals include increasing club membership, developing sustainable service projects, giving to The Rotary Foundation, and building awareness of Rotary in your community.

Citation goals can be found in Rotary Club Central. To achieve the Rotary Citation, review all the available goals, select at least half of them, achieve those goals, then report your achievement in Rotary Club Central.

All achievements need to be reported in Rotary Club Central by 30 June.
