Due to the inclement weather December 13, the benefit night for Rotary has been rescheduled to Monday, December 19. Hours are the same. Work locations are front gate collecting donations, Santa, Christmas tree area, and concession stand area. Last Week's Program -- December 13, 2022

Magical Program by Scott Davis

???????

Jon David Carmack introduced a "magical" program by Scott Davis, who has been entertaining audiences for more than 30 years with his comedy and magic tricks.

Davis, who lives in Hot Springs, Arkansas, has performed around the country and on national television. Perhaps more importantly, however, he has teamed up with the Electric Cooperatives of Arkansas for nearly 20 years to use magic tricks to teach electrical safety to elementary students. He shared some of these safety messages with us, as well as taking us back to childhood with card tricks, disappearing and reappearing objects, paper tricks, and more.

His Rotary appearance, sponsored by Craighead Electric Cooperative, showed that magic is not just for kids. There was lots of audience participation and interaction, and a fun time was had by all!
