This Week's Program -- April 9, 2024

Parkinson's Awareness

Leslie Wester, coordinator for the Rock Steady Boxing Program at St. Bernards Health & Wellness will speak to our club about Parkinson's and how they are helping those who are struggling with the disease. Rock Steady Boxing is a unique exercise program based on training and used by boxing pros and adapted to people with Parkinson's disease. The program involves regular exercises, such as stretching, running, jump-roping, push-ups, balancing and lots of non-contact boxing, led by experienced trainers and coaches. It serves both men and women of all ages and levels of ability.

Come hear about this disease and how it is treated.

Last Week's Program -- April 2, 2024

Last week, we met at the public library and placed Rotary stickers in children's books. We donated \$1,000 through a grant to the "My Very Own Book" program.
