Dr. Victoria Rameriz, Executive Director

A visionary leader in the museum field, with more than 20 years of executive-level museum administration experience, Dr. Ramirez has led renovation projects, developed exhibitions and education programs, and launched programmatic and 21st century digital initiatives to increase museum attendance and participation. She has also played an integral role in many fundraising campaigns, securing support from significant national foundations and major corporations.

Dr. Ramirez came directly to the Arkansas Museum of Fine Arts from her position as Director of the El Paso Museum of Art (EPMA), a municipal museum in El Paso, Texas that serves community members of all ages. She led gallery renovation activities; oversaw strategic planning; expanded the art school; increased attendance, membership, and student engagement; and worked closely with the EPMA Foundation Board on planning and fundraising initiatives. Under Dr. Ramirez's direction, the EPMA was awarded the prestigious Medal of Honor by the Institution for Museum and Library Services in recognition of dynamic programming and services.

Previously, Dr. Ramirez served as the Deputy Director of the Bullock Texas State History Museum in Austin, Texas where she oversaw a staff of 85 members and was responsible for all museum facilities, including permanent galleries, rotating exhibition spaces, two theatres, classrooms, cafe store, and grounds. She was also the W.T. and Louise J. Moran Education Director at the Museum of Fine Arts, Houston Texas, where she oversaw long-range planning and directed activities of the education department.

Dr. Ramirez holds and Ed.D. in Curriculum and Instruction from the University of Houston, in Houston, Texas; a M.A. in Museum Education and Art History from George Washington University in Washington, D.C.; and a B.A. in Art History from the University of Maryland in College Park, Maryland.
