2022-2023

Welcome to RY 2022-2023

Tuesday, July 12, 2022

11:30 a.m. Networking and Buffet Open | Noon Program

Great Hall, Clinton Center

Virtual Option: Zoom

This Tuesday, President Denver Peacock will unveil his Illuminate the Rock theme and cast a vision for where Club 99 is

going and how we can all be part of making 2022-23 a very special one for Rotary, a year that largely overlaps with the tricentennial anniversary of La Petite Roche, our region's namesake founding. You will be the first to hear about several outstanding programs in the works, unique service opportunities, and fun social events and much more.

We'll also have a special presentation by Michael Hostad, who will share insights into how grassroots leaders in Milwaukee led an effort to install interactive LED lights on Milwaukee's iconic Hoan Bridge. Program Chair Chris Bahn will moderate this fascinating conversation as we get to experience some of the innovative ways Michael and his team lit up this historic structure. You will love the connection to Little Rock too. The program will be a kick-off event unlike any other. You will not want to miss it. Make plans to join us in person at the Clinton Center on Tuesday!

Michael Hostad is the president and co-founder of Light the Hoan, Inc., an effort that raised more than \$3.5 million to light Milwaukee's iconic Hoan Bridge. By day, Hostad serves as the executive director of the Fork Farms Foundation, which is working to end hunger by making fresh healthy food accessible utilizing hydroponic growing technology.
