Cybersecurity in a Digital World

Special Agent (SA) Jason Frankenberger is a Cyber trained Agent with the FBI. He graduated from the University of Arkansas with a degree in Computer Engineering. He worked for an engineering firm while in College until 2006 when he was hired by the FBI. SA Frankenberger has served in the Memphis, Dallas, and now Fayetteville, AR Field offices and specializes in Criminal/National Security federal violations of Computer Intrusion, computer forensics and any matter requiring technical investigation.

Mandy Stanton, Attorney, Mitchell Williams Law, focuses her practice on evaluating and managing risks associated with privacy and data security matters. She counsels clients on incident readiness and response, structuring and implementing privacy policies and programs, data breach notification laws, information governance issues and vendor management. She assists businesses with drafting and negotiating complex commercial contracts to ensure responsible access, transfer and use of data and associated intellectual property. She is a former in-house counsel for an international information technology and data marketing firm. Mandy is a Certified Privacy Professional (CIPP/US).
