“Our success or failure will not depend upon the machinery of Rotary or its physical growth, but upon the extent to which Rotary’s ideals or objectives are translated into positive, tangible results in personal, business, community, and international life. We shall be known by our works.” – The Second Quarter Century, THE ROTARIAN, July 1930

"Vocational service gives Rotarians the opportunity to help others escape poverty and gain a measure of self-respect. As business and professional leaders, we have a duty to lead and encourage good ethics through vocation."

How do you respond when someone asks, "What is Rotary?"

"Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves."
