This Week's Program February 21, 2024

Carolyn Berry currently serves as the Education Director at Alzheimer's Arkansas. Carolyn's knowledge, vision and passion has allowed the organization to expand the reach to underserved communities throughout the state of Arkansas and help create policies for new funding for respite care. She received her Certified Dementia Practitioner in 2018.

Carolyn serves on the state's Alzheimer's and Dementia Advisory Council creating laws and policies to help Arkansans that are affected with various forms of Dementia. She also serves on the Telecommunication Access Program advisory board.

Her formal education includes a Master of Education with an emphasis in adult learning and a Bachelor of Social Work both from the University of Arkansas at Little Rock. Her experience has been shaped through working with aging adults in various capacities, including as a Community Educator at an intensive outpatient program for seniors. Carolyn also worked as an

Intervention Specialist with adults living mental illnesses.

Her passion to work with "seasoned" adults arose from her childhood and the senior adults from her community. She understands the beauty and challenges of aging. Her bucket list includes seeing the Northern Lights, writing my memoirs, and taking a road trip across Route 66.

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
