DENNIS MILLIGAN - STATE AUDITOR

Dennis Milligan is a successful small business owner, starting a water treatment company from scratch in 1985 and expanding it to 17 states before selling it in 2020. Milligan has spent the last 25 years in public service, volunteering at the county level and eventually serving as State Chairman of the Republican Party. He is known as a problem solver, addressing corruption and restoring trust at both the county and state levels. Milligan served as Saline County Circuit Clerk from 2011-2015 prior to being elected to two terms as Treasurer of State, from 2015-2023. As Treasurer, he earned the state some of its highest investment receipts in history at more than half-a-billion dollars. Milligan was elected Auditor of State in 2022.

As Auditor, Milligan serves as the state's accountant and ensures payroll for the state's Executive, Legislative and Judicial branches of government, made up of over 700 officials. Additionally, he oversees the state's Unclaimed Property program, the Great Arkansas Treasure Hunt, and has returned more than \$30 million in unclaimed property back to citizens during his first full year in office.

Milligan is passionate about financial education and as Auditor, serves on pension boards for the state's teachers and public employees, ensuring the solvency of the state's retirement plans. He also serves on the State Board of Finance which oversees the state treasury's \$11 billion investment portfolio.

Milligan is a lifelong Arkansan and graduated from McClellan High School in Little Rock in 1976. He is married to his junior high school sweetheart, Tina (Summers). They have one daughter and son-in-law, Tiffany and Chad Brown, and three grandchildren.

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
