This Week's Program September 27, 2023

MEETING TO BE HELD IN VINCENT de PAUL ROOM

Glen Howie is the Director of the Arkansas State Broadband Office, where he serves as the chief broadband advisor to Governor Sanders. He is guiding the state's broadband infrastructure and digital opportunity planning and implementation, an effort expected to exceed \$1.2 billion over the next several years. Starting in his role one year ago, he came to Arkansas from the nationally recognized Louisiana Office of Broadband Development and Connectivity. In his introductory remarks before the Arkansas General Assembly, he noted that his office would work every day to ensure that Arkansas becomes a "leader in the South" and a "Top Ten state in the country" in all things broadband.

Glen holds an undergraduate degree in finance and a master's degree in public administration from LSU. This June, Glen was named as one of Arkansas Business' 40 under 40 for 2023. He is an active member of Christ Episcopal Church in Little Rock and resides in Maumelle.

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
