Dr. Teri Cox-Meadows, Education Update: Things You May Now Know

After serving 22 years in education, Dr. Teri Cox-Meadows Founded Cox Consulting. She travels as an international education consultant, author, musician, and keynote speaker. Teri was a recent Soriee' Magazine Woman to Watch and a graduate of Leadership Arkansas' Class XIV. She is also a member of the Arkansas Women's Leadership Forum and is proud to serve in her home state.

Dr. Cox-Meadows is the current communications trainer for several business management teams, including the Union Rescue Mission Houses, Galley Support Innovations, Centennial Bank, and the Arkansas State Chambers Workforce Development Team. She has served as a keynote speaker for organizations such as Rotary International, Arkansas Blue Cross Blue Shield, Arkansas Regional Organ Recovery Association, and Delta Kappa Gamma International.

In the business sector, Dr. Cox is a leadership specialist, and an executive coach, a communications developer, and the founder of Daryl's Music Makers, a nonprofit organization providing hope and future for children abroad and stateside, through music and education.

In the education world, she works with leadership and professional development based on the neuroscience of processing and learning, as she works with schools and educators across the world. She has been fortunate enough to work in six different countries so far and looks forward to traveling abroad again soon!

Teri is part of a dynamic staff at ReNew Community Church and is an author of a recently published faith-based book; Real Girls Serving a Real God. She counts it an honor and privilege to work alongside leaders and innovators from the various fields, of education, faith, public and private sector businesses, and non-profits, to engage and inspire people to reach for their highest potential. She can empower your group with an inspirational keynote, a critical conversation, or a session that leads to change. Whatever the call, the journey will be inspirational, fun, and educational!

*** MEETING WILL BE HELD IN PERSON IN VINCENT DEPAUL ROOM

UA Little Rock Trojan Food Pantry

Start stocking up food items for our September 21st and 28th service project supporting the UA Little Rock Trojan Food Pantry.

A survey of the UA Little Rock community found that more than 50 percent of students and staff experience food insecurity, or know someone who is food insecure. In response to this need, the Trojan Marketplace & Food Pantry was established. The Food Pantry is open to all UA Little Rock students, faculty, and staff.

Please bring your items to the Club meeting on September 21st or September 28th and help support this worthy program.

Honorary Rotarian Jack Myers

As some of you may know, our dear friend and Rotarian Jack Myers has been experiencing some serious health problems lately. Please keep him and his wife, June, in your thoughts and prayers.

Jack would love to hear from you! If you have a minute, please give him a call at 501-772-1394. He's always ready for a good joke.

Four-Way Test

The Four Way Test of the things we think, say, or do...

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
