Bryant's 45th year in law enforcement, much of which was spent in drug intervention. He said there are more than 500 troopers plus several hundred civilian employees in the ASP. The Number One problem in Arkansas is methamphetamine ♦ice. ♦ It is the dangerous job of ASP's Highway Patrol division to search vehicles for concealed drugs that are being transported in the state. See Col. Bryant's full presentation on today's [meeting video](#). *Thanks for a great presentation, Col. Bryant!*

Please let me know if you need to be included in this report.

870-230-2445 or [joblab@suddenlink.net](mailto:joblab@suddenlink.net)

**Mike Medica** ♦ fell down a flight of stairs to their basement and broke 2 vertebrae in his neck. He will be in a C-Collar for 6 weeks. Thankfully, Sharon heard him call for help. I spoke with Mike on Tuesday and he said he is in horrible pain. Most of you know he has 3 dialysis treatments a week. He went to the treatment on Monday, but the pain was so bad he could not tolerate lying on the table for the treatment. Prayers, prayers, prayers for his recovery and the pain diminishing.

**Greg Pederson** ♦ (Melanie ♦'s husband) ♦ has been diagnosed with prostate cancer. The meeting with the surgeon will be 5/10/21 to determine the next step. Prayers that the cancer has not spread.

**Larry Wilson** ♦ After all he has been through, Larry is finally scheduled for his MRI today! Prayers please for good reports. As for Fran, she started experiencing headaches, so they went to her doctor and they are going to get a CT scan to see if there is any problem.

**Cheryll Fiorendino** ♦ (Bob ♦'s wife) Cheryll ♦'s mitral valve replacement was cancelled for the 27th and moved to the 30th in LR. Continued prayers.

**Denny Galloway** ♦ (Pam ♦'s husband) Pam wrote yesterday morning. "Denny just came back from his procedure and has 3 new stents in the right-side arteries. He will be having cardiac rehab in the very near future. No new news! Keep up the prayers. Denny ♦'s Diamondback procedure to crush up the calcium blockage and place the stent is still scheduled on the 28th. He ♦'s ready to start feeling better."

**Pam Galloway** ♦ No news on Pam yet. Orthopedic Dr. Barnes has her disk of CT and she is waiting to hear from his office.

**Greg Gillis** ♦ e-mailed me. "Today (Thursday) I see the surgeon and keep your fingers crossed he lets me start using my cane. I am tired of the scooter. Maybe next week I can come back to Rotary." In the meantime, I asked what time his appointment was and maybe we could all say a little prayer at that time to help out. He immediately shot back the time and place. 1:15PM in LR.

**Sally Jelinek and Bill Goodwin** ♦ Both are back so they are both considered graduates!
