## After Hours Satellite Meeting 2021-03-03

By Kathleen Lee Wright on Thursday, March 4, 2021

The Satellite Club had a great meeting on Wednesday, March 3<sup>rd</sup>. We had eighteen Satellite Members present, seven Morning Club members visiting and three guests. We started the evening with a Champagne Toast to celebrate the New Year, to celebrate the progress that has been made on the Covid-19 pandemic winding down, and to celebrate the club being back together.

The three newest members were introduced, Bud Campbell, Rose Drake, and Chris Jones. Our club now stands at twenty ♦one members with more to join in the next month.

Amy Thomason introduced our speaker Renee Rule from Restore Hope. This is a collaborative effort of government agencies, non-profits and the business community working together to provide needed services to incarcerated individuals prior to and after their release.

Renee gave a very interesting talk on this program which works with prisoners who have been released to find hope and help to begin the process of starting their life over and having a sense of community surrounding them. Restore hope works with the prisoners to establish health care, help with finding jobs, help with renewals of driver ♦s licenses, and also help with reuniting the families and children. Restore Hope also works with the judicial system to give these folks a second chance at a new life.

We ended the evening with talk of future service projects we are working on with the morning Club. Many of us stayed for dinner and fellowship at Xplore Lakeside. Our next meeting will be on April 7<sup>th</sup>, at 5:00pm. Once again we will be meeting at Xplore Lakeside.

## HSV Rotary Spring Grant Cycle

By Corinne Ruth White on Thursday, March 4, 2021

It's time for the HSV Rotary Grant spring cycle. Grant funding is available this spring for eligible nonprofits that meet the guidelines. The grant applications are available online at the Hot Springs Village Rotary Club website. Grant applications will be accepted from February 1 through March 31, 2021. The grant committee will then review and rank all the applications based on merit, and the recipients will be announced by May 1. The criteria are listed on the application form, and each grant request must be sponsored by a Rotarian, and if one is not listed by the applicant, a club member will be assigned as a sponsor. There are so many worthwhile organizations in need, so please share this information with people and organizations that would be eligible and could benefit from assistance by receiving a grant from Rotary!

Completed applications must be submitted by the March 31 deadline to HSV Rotary, Attention: Corinne White, 22 Ochavo Way, Hot Springs Village, AR 71909

## COVID Call Center for Texarkana 2021-03-03

By Virgil (Jack) Rueter on Friday, March 5, 2021

Village Health Pharmacy and College Hill Drug in Texarkana called on HSV Rotary and the After Hours Satellite Club to put together a Call Center to arrange appointment times for another COVID Vaccination Clinic at the Texarkana High School gymnasium. The Clinic's first inoculation is set for Saturday, March 6, 2021, with the second vaccination on April 10, 2021 at the same location.

The regular team members were instrumental in putting this Call Center together on short notice for Thursday, March 4, 2021, immediately after our regular morning meeting. In particular I want to thank Drew Kahle and Melanie Pederson for once again stepping up and spending hours to put together and run this Call Center. Kathy Wright and Bob Vittengl served as computer operators for the management of the digital calling lists.

Several other entities helped out with this clinic to provide the nearly 40 volunteer callers, which include HSV Rotary, HSV Rotary After Hours, Lions Club, United Methodist Church, Remax Realty, and Trademark Realty. We want to thank everyone who jumped in and helped

out with the service for the residents of Texarkana.
