## Ronald McDonald House Our Program for May 10, 2024

**Lori Moore**, Mission Director of the Ronald McDonald House being built here in Shreveport will be our presenter tomorrow. She'll bring us up to date on the construction progress. Our club members voted to donate funds for the project and that check will be presented tomorrow.

The Shreveport Mission is part of the Ronald McDonald House Charities of Arkansas. Lori received her B.A. in political communication from LSUS. She previously served as development director for Providence Classical Academy in Bossier City.

Lori joined the Rotary Club of Shreveport in November 2023.

### Upcoming district event

#### District Assembly

You are invited to a Zoom meeting for our District Assembly 2024!

This will be a great learning opportunity for our incoming club officers, so, please try to attend. This assembly will help you with starting an impressive and successful year with your clubs. All Rotarians in the District are encouraged to attend. There will be great learning opportunities for everyone.

Since we will also be electing multiple positions to serve the District in our Zone 30/31, the incoming President-Elects will need to attend. If, for some reason, you cannot attend, an alternate from your club will need to be on.

After registering, you will receive a confirmation email containing information about joining the meeting.
