Recap of the November 17, 2022 Meeting - Dr. Frank Bradshaw, District 6200 Administrator

Rotarian Frank Bradshaw, District 6200 Administrator, was the November 17, 2022 guest speaker. Dr. Bradshaw provided an overview of the differences between Rotary International and the Rotary Foundation. He presented an overview of the mission of the Rotary Foundation, the 7 Areas of Focus, the Foundation Programs, ways to support the Foundation, and the impact of a \$1,000 donation. He encouraged Rotarians to contribute to the Foundation and announced a matching program provided by some of the club's Major Donors that will match dollar for dollar any contribution that takes a Rotarian to their next level. Paul Harris Fellowships were then distributed by Tommy Hays and Frank Bradshaw to the following Rotarians: Kay Gautreaux, Connor Mire (with contributions from Rotarian Mike Holoher), and Kraig Strenge. Several non-Rotarians were named a Paul Harris Fellow by Rotarians. These were Sarah Berthelot by her husband, Jon Berthelot; Brennan Caswell, Emma Caswell and Madison Caswell by their father, Kevin Caswell; Jennifer Movassaghi Moffett by her father, Kam Movassaghi; Hannah Allain Murphy by her father, Chris Allain; and Kelly Parks Strenge by her husband, Kraig Strenge.

RYLA is Back

The 2023 Rotary Youth Leadership Award (RYLA) Retreat is again ready to go.

I present to you RYLA+! One retreat with multiple environments, part virtual, part in-person, all fully active! RYLA+ prepares students for life as a leader in this world. With over half of the jobs in the United States currently being at least hybrid, if not fully remote, it is important for students to learn how to lead in every environment so opportunities won't be missed. RYLA+ has been designed to teach leadership skills in multiple environments. The first three days of RYLA+ will be digital (March 27-29, 2023.) Then two days later, beginning on March 31 through April 2, students will meet in person at Bayou Segnette State Park in Westwego, Louisiana.

RYLA+ is one of Louisiana's premier leadership retreats for high school students! RYLA+ offers high school students skills not often found in the regular curriculum. Rotary counselors that have been through safety training, background checks, and leadership skills training will conduct "hands-on" and interactive sessions on diversity training, public speaking, team building, leadership fundamentals, goal setting, trust, communication, teamwork, character & ethics, fellowship, and creating good habits. This retreat offers a mix of indoor and outdoor activities. Through unique icebreakers, fun-filled events, and interactive presentations, students walk away with countless memories and valuable knowledge - many RYLA alums have credited the retreat with their success in college and careers. It is magical to witness the growth and inspiration these students walk away with.

Qualified candidates are high school students finishing their sophomore year who demonstrate the potential to benefit from a program designed to nurture and instill confidence in their leadership skills and abilities. Our club is offering scholarships for 2 campers. Please consider your family members, friends, and neighbors for this opportunity. **The deadline for applications is January 25, 2023.** Contact Youth Service Director Joshua Savioe if you want to nominate a camper or to volunteer.
