Program-Arleth Nelson Cooper is presently serving the Peace Corps in Thailand. Arleth is the granddaughter of Rick and Barbara Nelson. Rick was a long-term Sturgeon Bay Rotarian who was responsible for multiple Rotary supported projects in Houndouras where he is presently serving.

Arleth was born in Houndouras, grew up in and graduated from Sturgeon Bay High School. She graduated from UW Milwaukee.

Education- UWM International Po and World Affairs

She is stationed in Uthai, rural Thailand in the red area. That is her home in the middle bottom picture.

She is a teacher's aid, supporting local Thai educators in preparing their lessons. Arleth shared a brief tutorial on learning the Thai language. This newsletter can do no justice to her guidance.

Arleth is a great representative of the United States and Sturgeon Bay in sharing her skills in Thailand. She has a year remaining on her 2-yr deployment. She is tentatively planning on graduate school via a Peace Corp program.
