## Rotary This Week August 22, 2024

Greetings,

Special guests Stephanie Servia from Sturgeon Bay Zoning/Planning administrator and Sherry Mutchler attended.

Youth Exchange student, "Peach", recently arrived from Thailand. He's happy to be in Door County and looks forward to practicing English and watching basketball. Peach won \$22 from the raffle. Please sign up with Mike F for Peach's transportation to and from Sevastopol for Rotary Lunch starting later in September.

Mark Jinkins presented the Foundation Minute: Invite friends to Rotary. It's good for everyone.

Ed, Bill, and Dennis shared summer travel stories. The Felhofer and Linnan families have kids off to college. Scott "drove" by and honked his horn from the water. I heard rumors of a fine. Carrie (new member) has a son, Jake, who married recently. Door County United Way's annual campaign began this week. Donate to United Way!

This week's program featured Keith Mutchler's reclassification. From South Dakota to Wisconsin and many places in between, Keith has a lot to be proud of. He and his wife, Sherry, recently celebrated their 50th anniversary and have three daughters. Keith spent his career as a mechanical engineer, where he was also in management. He is an expert on toilet paper manufacturing. He served in the Army and retired at the rank of captain. Keith has pride in his community and gives back by leadership and support to many non-profits and service organizations. He is a musician and an artist. The icing on the cake was his performance on bagpipes.
