Mark Nelson shared his reclassification talk.

-He is from Sturgeon Bay and played football for Iowa as a lineman.

-He has been a Rotarian for 38 yrs.

-His greatest achievement was marrying his wife Peggy and their two grown children.

-He was active with the Sturgeon Bay Visitor and Convention Bureau, Door County Economic Development Corporation and past president of the Rotary Club of Sturgeon Bay.

Mark had more to share, but the information forwarded was limited. He is truly a blessing to Rotary. Well, some of his jokes are excluded.

Mark, sorry for the picture rotation, the format sent was wrong, and I tried to rotate but had no luck.

June 20 Meeting recap.

-Shipyard Tour-a rough weather forecast has resulted in canceling the afternoon cruises for Friday and all 4 cruises on Sunday. Cancellations will be able to book the same cruise through Shoreline Boat Tours until Sept. 2. Refunds are not available, so revenue remains intact.

Special thanks to Mike Felhofer, Scott Bader, Tonya Felhofer, Ashley Bley, Bill Surbaugh, John Swanson and Barbara Pfeifer for volunteering for the Shipyard Tour.

-Calendar Raffle-Tickets still available through the end of June. About 1000 sold vs goal of 2000. Please get tickets from Amy. Return prior to the end of June. If not interested in selling, please consider buying some yourself. Mark Nelson has sold about 500 himself.

-Membership Drive remains open until the end of June. Scott reviewed the points system and awards. Membership is everyone's responsibility. If you have thought about inviting someone, but are not sure how, check with Scott for suggestions. sbader@coldwellhomes.com

-Aurora's last Rotary meeting-In her final comments she was very sad and teary. Sean did an excellent job as RYLA chair in sharing some good by moments. She returns to Italy in a week and has one more year of high school left. She mentioned her plans to become an OBGYN. Just a very sweet young lady and we hope to see her again.

She has held several nursing jobs in her career and clearly enjoys helping people. Her husband Jonathon (who was in attendance) have two sons, 12 and 4. Her presentation clearly highlighted the importance of family to her.
