Kellie shared her interesting childhood with multiple pictures and stories. She developed an early love for animals and grew up in the Suamico area. She was active in track and field events in high school and went on to coach the sport for many years. She also created a running club in the Green Bay area with as many as 100 athletes participating.

She has four sons who are adventuresome, to say the least. Her eldest is in the US Army and was deployed twice to Afghanistan. The picture shows the adventures of her sons.

She has worked for Planned Parenthood and shared her experience meeting Gloria Steinem during her work.

Kellie has a **Masters Degree in Emotional Behavioral Disorders**.

She splits her time between Green Bay and Sturgeon Bay doing sales and marketing work for the **Humane Society**. She lives in Green Bay. Thanks, Kellie, for sharing your story.
