

### Rotary This Week-May 9, 2024

**Membership Drive:** The Board has set a goal of four new members by the end of June, Fiscal Year.

**Scott Bader (Membership Chair)** outlined plans for a promotion:

- One point if you ask someone to join you as a guest at lunch.
- Two points if you bring a prospective member to lunch
- Three points if you sponsor a new member.

Please update **Scott (sbader@coldwellhomes.com)** for monitoring purposes.

**On June 30th** the contest winners will be announced.

- First place-prized collection of custom Door County coffee mugs
- Second place-Gift card to Door County business.
- Third place- \$5 gift certificates purchased by Scott.

**(All honorable mentions, a cocktail cruise on Yacht Bader)**

**Approaching a perspective member:**

- Who would you think would be a good addition to the club?
- Develop a strategy on how to approach them.
- Share with them what you value about being a Rotarian.
- Consider forwarding a weekly newsletter with comments.
- Invite them to lunch and explain what to expect.
- Introduce them to as many Rotarians as possible. A good location is to stand by the start of the buffet line.
- A real strength of Rotary is interfacing with a broad variety of community members.

**Rotary Logos on clothing-Dennis White** reminded us that having a Rotary emblem placed on a piece of clothing is easily done by going to **FLS Banners**, who carry the Rotary logo. You can either take a shirt along or purchase it there. The price a few years ago was \$10-12.

**Projects approved by the Board**-Two major funding areas are affordable housing and available day care in Door County. **\$1,695** was approved to complete landscaping on the home recently completed by the **Housing Partnership** and **\$7,305** was approved for the **Children First Development Center**, which is targeted for opening **June 3rd** supporting an additional **76 youth child care slots**.

**Pictures**-Several Rotarians do not have a picture on the Rotary Dacdb administrative site. If unsure, email **Club Secretary Allyson Fleck, executivedirector@midsummermusic.com**, or forward her a picture.

**2024 Shipyard Tour: Sturgeon Bay Working Waterfront, both past and present.** Only 39 tickets remain of the 300 available. The event "**Sturgeon Bay Working Waterfront, both past and present**" will be a truly unique historical narrative of multiple maritime sites around the harbor.

**Volunteer Sign-up: click on this link, post your data, close**

**Program:**Bobby Stuebi, Practice Administration, Door County Eye Associates, shared an entertaining glimpse of his life (if you can overlook that he is a Bears fan).

Hi Rotary! It's me,  
**Bobby Stuebi**

A little bit about myself..

Galaxy S21 5G

Bobby is a native of Western Springs, IL, a suburb of Chicago. He reminisced about growing up in a neighborhood of close friends within walking distance. To say he is a sports enthusiast would be an understatement. In his youth, he was involved in baseball, basketball, golf, tennis, swimming, diving and soccer. He attended Knox College in IL and is a 2012 graduate with a BA in Economics with minors in Business Management, History and Political Science. He later earned his

teaching certificate.

At Knox, he was the golf team captain, Rotary Interact Treasurer, Radio DJ and Student Athletic Advisory Committee.

Well, here starts the interesting part. While a first-year student, he began electronically researching the women in his class and took an interest in Annika Paulson (yes, daughter of our Eric Paulson) and managed to introduce himself at an early school mixer. The two areas he was familiar with in WI, were the Dells and Door County, but he messed the two up while trying to impress Annika. (One could confuse this with stalking, but all worked out well)

Annika started a Rotary Interact Club at Knox, so now we understand Bobby's inspiration to become the Treasurer. Annika and Bobby were married after graduation. While **Annika** finished her education as an **Optometrist**, Bobby entered the world of sales, first representing Kraft beers to dealers and later with a startup company selling high speed internet, which was purchased by Google.

When they moved to Door County, Bobby taught in Southern Door for a few years.

Eleven months ago, he moved to Door County Eye Associates where he is the Practice Administrator.

This summary did not do justice to the entertaining classification Bobby shared. (Oh, Eric, when you and Di decide to come home, he did mention you as his father-in-law)

**Future Programs:**

- May 16th-Kellie Delveaus's Classification Talk
- May 23rd-Representative from Write On Door County
- May 30th-5th Thursday- To be announced,
