Entering a new Rotary year, the agenda focused on researching potential projects around the community, with a blend of smaller one-day events to potentially multiple-year projects.

As a new member, if you are looking for your niche in Rotary, maybe the Environmental Committee is your destination. Contact John Swanson if interested.

Formal Year End Program:

President Ken swore in Amy Kohnle, the incoming President, and thanked her for all her work with weekly programming and the calendar raffle to list a few.
