A Word From The President

Hello All Early Birds!

A great start to another week with the WEBRC!

Had a meeting with Connie and Gary going over the next Rotary year calendar for WEBRC. Connie has been very proactive with scheduling and keeping us organized, no small task with current leadership!

This past Friday and Saturday, Gary and I were at the 2024 TRICON event in Green Bay. Another outstanding meeting - it makes you proud to be part of this amazing worldwide organization. It also reaffirms that our club is a very high functioning, impactful club, not to mention FUN! Towards the end of last week's meeting, our speaker Amy Yanzer commented on what a fun meeting it was. This statement just solidifies it.

Have a great day and see you on Thursday. Jeff

WAUSAU EARLY BIRDS ROTARY ANNUAL HIGHWAY CLEANUP

save the date!

Thursday, May 9th
details to follow

May 9th is the last day to bring in your president's pantry items. We need all members to bring items. Proceeds from this event supports WEBRC projects. You are always welcome to bring more than one item!

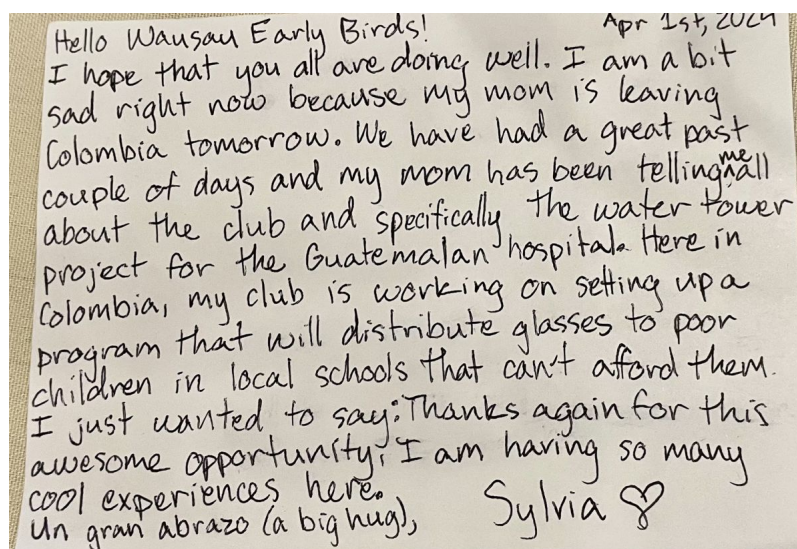

It is on the 3rd floor of Building 3, which is the one all the way to the left. There is MCW-CW signage on the building and on the monument signs as you enter the Aspirus campus. This is across from the east side of Aspirus in the old Liberty Mutual buildings. We will reserve some parking spots near the main entrance, in the underground parking area.

We are looking for donors, volunteers, and bakers to provide homemade goodies. If you're interested, please complete the sign-up sheet linked here: [BLOOD DRIVE SIGN-UP.](#)

Club Inspiration

Foundation Minute

“This is a Rotary Foundation Minute.

Consider what it would be like. You go to a hospital in Wausau, Houghton, Marquette, Green Bay, Appleton or Antigo.

You’re told you need to bring your own drinking water. Your family already walks more than five miles a day to get water to drink, wash and cook.

The bathroom facilities at your children’s school are new but there is no running water, ever.

No wonder disease and death are rampant in Guatemala where District 6220 Rotarians recently visited.

Our district has contributed more than \$30,000 to water projects that bring fresh, clean water to hospitals, schools and hundreds of homes.

Wausau After Hours Rotary member Jean Burgener came back from a working trip to Guatemala where she was told Rotary has saved more than 1,640 lives since installing a well and reservoir. That's the number by which infant mortality has been reduced at just one hospital supported by The Rotary Foundation.

The Rotary Foundation makes a difference. So do you. Thank you. And, thanks also, to District International Service Chair Jim Cantrill who is the master of making these grants possible.

This has been a Rotary Foundation Minute".
