## Foundation Minute

☺This is a Rotary Foundation Minute.

Your legacy can be much more than the money you leave to others. It can be an example of generosity, philanthropy and paying it forward, making lives for others you may never know better than would be possible without your goodness.

Since the Rotary Foundation Endowment was established in 1982, more than 2,700 people have established endowments of \$25,000 or more in their names. Almost \$400 million are invested, generating more than \$25 Million a year to do good throughout the world.

A contribution to the Endowment Fund is a statement to your children and grandchildren, your friends, and fellow Rotarians that generosity is a value to you.

And, if you™re like many, an endowment contribution is like Rotary membership: payback for a very good life, blessed with good fortune.

This has been a Rotary Foundation Minute. If you would like information about making an endowment donation, feel free to contact me. And if you feel generous, I™m available on very short notice.

This has been a Rotary Foundation Minute".
