Youth Mental Health - The Next Pandemic?

The next pandemic in the United States may very well be youth mental health. Addiction to devices, tolerance of bullying, and a shortage of counselors combine to create the highest levels of teen depression, anxiety, suicide, and self-harm in our history.

Rotary Minute - Paul Harris Society

"Today I write in search of just one Rotarian in each club willing and able to donate \$2.73 a day. That's what a commitment to Rotary's Paul Harris Society requires.
