Rotarian Code of Conduct!

Act with integrity and high ethical standards in my personal and professional life.

Deal fairly with others and treat them and their occupations with respect.

Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and the world.

Avoid behavior that reflects adversely on Rotary or other Rotarians.

Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help insure non-retaliation to those individuals that report harassment.
