News

On Thursday, Charlie Robertson from Kalamazoo Habitat for Humanity told us about that organization. “Everyone deserves a decent place to live.” They build and refurbish homes for people who are in need and willing to invest sweat equity in their home. They also do critical home repairs and operate the Restore (resale of donated and salvaged building materials.)

The GLARC +1 backpack food bagging crew on Thursday assembled 520 bags of food for kids in need.

Greeters are needed for April. Contact Gretchen Thomas to sign-up.

Don't forget our “5:01 Party” on Monday April 9 at the Kitchen House, at (of course) 5:01 PM

For Food Bank regular contributions in April, tuna fish (cans or packets) are needed. Other canned and packaged goods are welcome, as is money if you don't bring food.

This week's tally in the Food Bank Competition:

School	This Week:	Food / Cash		Season Total
NOTA		58	6	360
WMU		22	56	341
MSU		3	0	254
U of M		11	5	202
