Club Meeting - Thursday December 9

20 people attended. Three of our newest members each told a bit about their backgrounds.

Donna Tellam was in banking in Missouri. At retirement she moved back to Michigan and got involved with the Ross Township Park Committee (as Chair). After working with Judi Brown and GLARC on the Ross Township Park grant, she joined our club.

Sharon Wherry was in marketing, sales, and fundraising. She was President of the Lincoln Nebraska Rotary club and then Rotary District Governor there. Upon retirement she and Dan moved to this area to be near children and grandchildren – but wanted to remain Rotarians.

Dan Wherry is an attorney. He was U.S. Attorney for Nebraska and then in private practice. He was President of Rotary Club #14 in Lincoln, Nebraska. As President of that club, he received a letter from outer space – that's right, outer space – just ask him.
