Recent Club Activities - May 2024

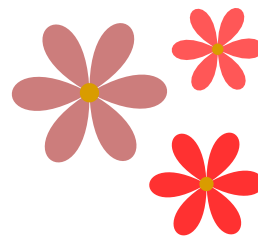

At a recent weekly meeting, we had the privilege of hearing from Michelle Skedgell, Director of Pierce Cedar Creek and Chair of the Environmental Committee for District 6360, about pollinators and their significance in our environment.

On Saturday, May 4, our District 6360 Rotary Heroes were honored at a Recognition dinner, including our very own Don Deibler! Congratulations to all!

Recently, our club held a dedication ceremony for the District Grant we received, in honor of Donna Bee Smith, a devoted Richland Area Community Center employee who embodied 'service above self' to our Rotary Club. Faye Koestner spoke about her friend.

Dave Mabis spoke at our morning meeting on the topic of "The Three Types of Money" and which one is most beneficial.
