A 9/7/23 Letter to Stacey from our Immediate-Past District Governor Kathy from last year to all Club Presidents in our District:

*Subject: Rotary Foundation Moment for September 3: **WHAT ARE DISTRICT DESIGNATED FUNDS?***

Dear Stacey,

Please share the following message from the Zone 28 Regional Foundation Team with your club members in your newsletter and at your meeting:

District Designated Funds (DDF) are generated based on contributions to the Annual Fund.

Every year, each district's contributions to the Annual Fund-SHARE are divided up. First, 5% is deducted for operational costs. The rest is split equally, 47.5% each, between the World Fund and funding for our district.

As we've mentioned, the money is invested for three years before it becomes available to districts. District 6360 can ask for up to half of its DDF in a district grant each year, then use the funds for the grants and programs that matter most in your area. This formula makes The Rotary Foundation an integral part of Rotary in our communities.

*Yours in Rotary Service,
Kathy Gallagher, IPDG, District 6360*
