3/30/21-Vaccination Help

By Gene Klco on Wednesday, March 31, 2021

General Discussion:

- Attendance: Members=15, Associate Members=2, Guests=0

- President Kay started the meeting with the Pledge of Allegiance
- We had no guest speaker today
- Most of the meeting covered the Vaccination Committee report
 - Jim Miller talked about an opportunity to help support vaccinations
 - Sparrow has been doing vaccinations at the old Sears building in Frandor
 - They have the people drive up to the east side of the building and sign in
 - They then go around the building to the maintenance garage where they get the vaccine shot
 - They then are directed to a line of cars on the west side of the building where they wait for 15 minutes to see if there is any adverse reactions to the shot
 - After the 15 minutes, the people can leave
 - Sparrow is moving the operation inside the Sears building on April 1, 2021
 - Their goal is to do 2000 vaccinations per day - 7 days per week
 - They need volunteers to do that
 - That's where we come in
 - Raj has arranged to have them set aside a group of us to go together
 - Idea is for us to go in small groups to help
 - We would wear our Rotary shirts and/or hats
 - Jim Conroy helped out this morning and was pleased with the way it went and the positive feedback he got
 - Shifts are 4 hours
 - You may be on your feet most of that time, so wear comfortable shoes
 - They do have breaks and serve food
 - Raj & Jim M would like to know who is interested in helping out
 - Send Jim Miller an email or call indicating that you are interested (miller20@msu.edu & 517-410-2918)
 - They will help setup the training required
 - The training is on-line
 - Do your best with the questions, but you will get a second chance if you get some wrong
 - Raj Wiener, Jim Miller, Jim Conroy and Sharon LaPointe are coordinating
 - Wait till you get trained with their help till signing up to help
 - Cases of Covid in Michigan - in fact Michigan led the nation per capita recently
 - People are letting their guard down and getting lax
- After this discussion, we had Happy Dollars
 - Many people happy with the warm weather
- Pamela had a request for people to help her remove plants from her yard

◆All things in life are temporary. If going well, enjoy it, they will not last forever. If going wrong, don't worry, they can't last long either. ◆
