## Thought for the Week

By Gene Kico on Saturday, July 1, 2023

â€™Life is not a matter of holding good cards, but of playing a poor hand well.â€™

## Joke of the Week

By Gene Kico

A woman stands over her tee shot for what seems an eternity. Looking up, looking down, measuring the distance, calculating the wind direction and speed.

Finally, her exasperated playing partner asks, "What is taking so long? Hit the darn ball!"

The woman answers, "My husband is up there watching me from the clubhouse. I want to make this the perfect shot."

"Forget it, dear," says her partner. "You'll never hit him from here."
