Thought for the Week

By Gene Klco on Thursday, July 1, 2021

"The person who believes they can do something is probably right, and so is the person who believes they can't."

Joke of the Week

By Gene Klco on Thursday, July 1, 2021

Gentle Thoughts for Today -

Birds of a feather flock together . . .and then crap on your car.

A penny saved is a government oversight.

The older you get, the tougher it is to lose weight, because by then your body and your fat have gotten to be really good friends.

The easiest way to find something lost around the house is to buy a replacement.

He who hesitates is probably right.

Did you ever notice: The Roman Numerals for forty (40) are XL.
