Thought for the Week

The only place where success comes before work is in the dictionary. ~Attributed to both Vidal Sassoon and Donald Kendall

Joke of the Week

By Gene Klco on Friday, July 1, 2022

Work Harder, Not Smarter

- I found a book titled *How to Solve 50% of Your Problems*. I bought two!
- Today I melted an ice cube with my mind by staring at it. It took a lot longer than I thought it would.
- Just sold my homing pigeon on eBay for the 22nd time.
- If you think you are smarter than the previous generation, fifty years ago an ownerâ€™s manual showed you how to adjust the valves of your car. Today it warns you not to drink the contents of the battery!
- People with siblings have better survival skills. They have had physical combat, psychological warfare, and sense suspicious activity.
