Thought for the Week

By Gene Klco on Saturday, July 1, 2023

"If we fill our hours with regrets of yesterday and with worries of tomorrow, we have no today in which to be thankful for."

Joke of the Week

By Gene Klco on Friday, July 1, 2022

This joke has been adapted for different areas of the country. We created this Yooper version a few years ago.

Sitting along an Upper Peninsula highway waiting to catch speeders, a Michigan State Police officer saw a car pattering along at 28 M.P.H. He thought to himself, "That car is just as dangerous as a speeder." So, he turned his lights on and pulled the car over. Approaching the vehicle, he noticed there were 5 elderly ladies, two in the front and 3 in the back, wide eyed and looking like ghosts.

The driver was obviously confused. She said, "Officer, I don't understand, I wasn't going over the speed limit! What seems to be the problem?" "Ma'am," the officer said, "you should know that driving well under the speed limit can also be dangerous."

"Under the speed limit? NO SIR! I was doing exactly 28 miles an hour," the old woman said proudly.

The officer, holding back a chuckle, explained that 28 was the highway route number, not the speed limit. A bit embarrassed, the woman grinned, thanking the officer for pointing out her error. "Before I go Ma'am, I have to ask, is everyone OK? These women seem badly shaken and haven't uttered a word all this time."

"Oh! they'll be alright in a minute. We just got off Route 129."
