Message from President-Elect

Special Edition - Vocational Service Awards 2024

At last week's evening meeting we honoured 7 individuals in our community who excel in their vocation and also give back to the community.

Hosted by PP Gordon Orr, the evening was full of laughter and inspiration, as we listened to the amazing accomplishments of each of the recipients of the 2024 Vocational Service Award.

The list of recipients and their nominators are at the end of this newsletter, along with pictures.

At last week's meeting, the newest District Governor Nominee Kim Spirou gave out the Ontario Volunteer Award pins to Paula Talbot and Gordon Orr. They were recognised for their many years of service. Congratulations Paula and Gordon!

In addition, Doreen Thibert was recognised by PP Paula Talbot with the Imagine Rotary Theme Award. Congratulations Doreen!

This week we get to hear from our newest members, Rita Taillefer and Monica Rawlings as they present "This is Your Life". Looking forward to hearing about who they are, and what brought them to Rotary.

February is Peace and Conflict Prevention Month

March 22, 2024 World Water Day - Leveraging Water for Peace

Water can be a tool for peace when communities and countries cooperate over this precious shared resource.

But, water can also spark and intensify conflict when access is denied and usage unfairly shared.

World Water Day 2024 is about working together to balance everyone's needs, with a dedication to ensure no one is left behind, to make water a catalyst for a more peaceful world.

Join the Rotary Club of Windsor Roseland to celebrate World Water Day on Saturday March 23, 2024, at the Devonshire Mall - For more info contact Saad Jasim

****World Water Day, held on 22 March every year since 1993, is an annual United Nations Observance focusing on the importance of freshwater.***

World Water Day celebrates water and raises awareness of the 2.2 billion people living without access to safe water. It is about taking action to tackle the global water crisis. A core focus of World Water Day is to support the achievement of Sustainable Development Goal 6: water and sanitation for all by 2030.

Be the One to Create Hope in the World

Walkerville Brewery has teamed up with Rotary Club of Windsor (1918) to create a new Water Walker Lager in support of clean water projects in Canada!

It's a clean, crisp lager with a delightful herbal aroma from dry hopping with Saaz hops.

50 cents per can will be donated to The Rotary Club of Windsor (1918) to support in providing skills and certification training for clean water treatment systems in underserved communities in Canada.

Now available exclusively at the Brewery + Online Store in 473ml cans.
