Message from President-Elect

What an amazing evening listening and experiencing poetry written by 2 very vibrant young women! Last week's evening meeting was Poetry Night, where we heard from Windsor's Youth Poet Laureate Chidera Ikewibe, and Grade 11 Assumption High School IB Student Caprice Strgar.

Chidera's poem spoke about the War Survivors from Nigeria, and how it shapes their thoughts and being. Chidera also shared with us her role as Youth Poet Laureate, and showed images of the art she creates to the poetry she writes.

She shared that poetry is anything that we do with intention such as how we dress or how we create a dish, that poetry is all around us, and not just in words.

Caprice presented 2 original poems, one about Poetry and one about Immortality, how it is up to us what we leave as our legacy on this earth.

Thank you to Chidera and Caprice for making it a magical evening, and wish them all the best in their future endeavours.

This week we will be hearing from Eleanora Cspregi from Windsor-Walkerville, as she speaks on their Ukrainian School Project in Budapest. Looking forward to seeing you at this week's lunch meeting.

Let's review Priority #2 this week.

Expand Reach – We are People of Action. This priority asks us to think outside the box, look at reaching out to people through an inclusive and diverse lens, to invite people to experience the awesome power of Rotary.

One such way could be to create an “**Impact Member**” category. These members are interested in how **they** can do service in the community. They may not be able to attend every meeting, but will show up to plant trees, or help at the food bank, or whatever project we may be working on.

Next week stay tuned for Priority #3.
