Our last club meeting!

On August 13, 2024, we had a lunch snafu and **Andy Boyd** saved the day by ordering pizza! Thank you, Andy! We kicked off the meeting reviewing some wonderful fun and service: *Strike Out Polio* event at the Pirates game in Pittsburgh, PA with RI President, Stephanie Urchick, packing 600 backpacks for *Zaman International*, and serving 400 meals to the clients at *Crossroads*. Looking forward to a great lineup of September service.

We honored **Jeff Smith** with his 8th & 9th [Paul Harris Fellow](#) pins! And we heard from new members, **Patti Martin** and **Greg Rivers**, on how they spent their \$100 new member money. Greg reminded us of the powerful presence of [Northville Civic Concern](#) and Patti introduced us to the [Children's Healing Center](#), a Ypsilanti Township based organization where children with weakened immune systems can play in a safe and clean environment. Way to go, Rotarians!

During our last meeting, **Traci Sincock** discussed our upcoming Centennial Celebration. Northville Rotarians want a celebration that honors our legacy while looking forward to the future. As we prepare to celebrate our club's 100th birthday in 2026, several committees have been formed to ensure that this milestone is marked with activities that reflect our rich history and dedication to the community. Survey results are distilled into 5 major themes that will form temporary committees tasked with the work. She outlined each committee and a timeline for work and meeting attendants signed up for committees. Contact **Traci Sincock** to tell her what committee you want to join.

- **Historical Component:** Tasked with researching our club's history, this committee will create displays to showcase our achievements and contributions over the years and develop methods to promote our legacy. *Members so far: Jennifer Walker, Mary Kay Gallagher*
