Club of Northville

Rotary RoundUp

A between meetings collection of what's happening with our Club, District 6400, and Rotary International.

Tuesday, October 22, 2024– Club Meeting

Our next meeting is Tuesday, October 24, 2024 at 12:05 p.m. This is a special meeting for 2 reasons:

1. Our official DG visit
2. Pizza for Polio event

District Governor for 6400, **Nick Krayacich** will be coming for his official visit. We're lucky to have booked him near World Polio Day. He and his wife, past Rotary International President, **Jennifer Jones**, have travelled the world seeing the effects of our global efforts to End Polio Now. Please consider inviting friends, neighbors, and family as guests. Lunch will likely be MOD Pizza – to support our Pizza for Polio fundraising event that day – but we haven't ironed out all the details yet. Look out for a followup about lunch; for now, please let us know if you intend to attend and who will you invite as guests:

Hope to see you all there!

Rotary Recap

At the October 8, 2024 Rotary Club meeting, April Patti, Director of Development and Marketing for St. Vincent and Sarah Fisher Center (SVSF), shared an inspiring overview of the organization's history and its current focus on education and empowerment. Established in 1844, SVSF has evolved from an orphanage and foster care facility into a leading provider of free educational programs for children and adults in Southeastern Michigan. Board president, Chabie, was also a guest.

Key points from her presentation included:

New Detroit Location: In 2022, SVSF relocated to its first permanent home on Detroit's east side to address the significant educational and economic challenges in the area.

Adult GED and Workforce Programs: SVSF offers comprehensive GED preparation and testing, along with career pathway training to help adults achieve self-sufficiency and improve their employment opportunities.

Children's Tutoring Programs: Personalized afterschool and summer tutoring focuses on strengthening math and reading skills for students in grade 16.

PUMP Program: The Placement Upskilling and Mentoring Program (PUMP) helps adult learners transition from GED completion to either career opportunities or postsecondary education, with ongoing mentorship and support.

expect from a great poker night! **Lindsey Dogonski** played her cards right, taking the win, while **Salomé** was a quick study coming in second, and host **Debbie Tyler** cashed out big third. Huge thanks to Debbie and Jeff Tyler for hosting, channeling their inner Gambler by patiently reminding us, "You gotta know when to hold 'em, know when to fold 'em," and even teaching a foreign exchange student how to gamble like a pro!

Tuesday, October 15, 2024 – 6:00 pm - Joint Club & Foundation Executive Board Meeting at Schoolcraft College
Tuesday, October 22, 2024 – 4:30 pm – Service Committee Meeting at the Chamber

Wednesday, October 24, 2024 - World Polio Day is a chance to raise awareness and celebrate global progress in the fight against polio. Rotary International has been at the forefront of this effort, contributing to a 99.9% reduction in polio cases since 1988. Locally, the Rotary Club of Northville is working toward a \$4,000 fundraising goal through the Red Can Fund, Pizza for Polio events, and individual member contributions to PolioPlus. With the Bill & Melinda Gates Foundation's 2:1 match, our \$4,000 turns into \$12,000 to fund vaccinations, research, and surveillance efforts. As part of his official visit, District Governor Nick Krayacich will be our club speaker on October 22 to discuss his experiences with polio eradication efforts worldwide. Together, we can create a polio-free world. Learn more at <https://www.endpolio.org/> and https://fb.watch/u_rvAPYQeq/.
