Rotary Recap

The October 22nd meeting of the Rotary Club of Northville was a truly memorable one, with special guest **District Governor Nick Krayacich joining** us for his official visit. DG Nick shared updates on Rotary's progress in the fight to eradicate polio, noting how close we are to reaching the finish line and encouraging us to stay committed to the cause. He shared stories from his travels with Rotary, offering inspiring perspectives from his experiences across the globe, where he has witnessed firsthand the impact of our work.

We were also delighted to welcome a new member to our Rotary club: **Ken Pumford**, who was formally inducted by DG Nick. Our club members **Jennifer Walker** (PHF +1) and **Tim Story** (PHF +3) were honored for their commitment to Rotary's mission. Their dedication exemplifies the spirit and service that our club is built on. DG Nick also previewed some exciting upcoming Rotary events: the [District Conference in Windsor](#) this May and the [Rotary International Conference in Calgary](#) in June. Both promise incredible opportunities to connect, learn, and make a greater impact as we continue our journey together in service.

PIZZA FOR POLIO – 48 hours left to contribute to this campaign

If you missed out, there's still time to contribute! Buddy's is continuing to accept donations for the meal plan. Don't miss this final chance to join the effort—your support can make a difference:

Thank you to everyone who joined us over four fantastic days for

our "Pizza for Polio" fundraiser! The Rotary Club of Northville has been hard at work all year toward our \$4,000 goal for polio eradication (which, with matching funds, will bring in \$12,000!). This week, we ate a lot of pizza to make it happen—thank you to everyone who joined, bought food, shared with friends, and spread the word. We had amazing turnout and support at California Pizza Kitchen, Mod Pizza, Buddy's in Novi, and Buddy's in Plymouth. Together, we raised over \$500 toward Rotary's End Polio Now campaign! Final amounts will be shared soon.
