Rotary Round-Up

A between-meetings collection of what's happening with our Club, our District, and Rotary International

Tuesday Lunch

Our next meeting is Tuesday, July 26. The sign-up for lunch is now active (link below).

Please sign up if you are planning to attend. Now that we are getting the buffet lunches, if you forget to sign up, you can still have lunch; we'd just like to provide as accurate as possible a count to the caterer.

Please note, you do not have to purchase a lunch to attend the meeting. You can skip lunch or bring your own.

Lunch Punch Cards

If you'd prefer not to have to deal with paying for lunch every meeting, consider a pre-paid lunch punch card. They are now available in blocks of 5 (\$75) or 10 (\$150) lunches. You will be required to have your punch card with you at the meeting -- if you forget it, you will need to pay the \$15 fee that week. (Don't forget we can take PayPal or Venmo, as well.) See Alan Somershoe or Lynne Badeen for a card.

Thank you for your prompt attention!

District Governor's Message

Welcome to the new Rotary year; one that will be filled with new adventures, opportunities, and imaginative ideas. District 6400 clubs have had a successful year of coming back together from the pandemic and have continued to find new ways of providing service to their communities and the world. Super District 6400 clubs have so much to celebrate.

And speaking of celebration, Past District Governor Aruna Koushik deserves such a BIG thank you for serving our district this past year. Our clubs took up the challenge of Illuminating Hope and, as demonstrated by all the work accomplished this year. Aruna's positive energy inspired all of us as she led the effort to raise funds for oxygenators in India and medical supplies for Ukraine. Caring for others around the world is the work Aruna is passionate about and our district responded in kind. District 6400 members have big hearts and generous spirits and we appreciate Aruna leading the way for all of us. Well done Aruna! District 6400 is in a great position to head into a new year because of your inspiring leadership.

As we head into the Rotary year of 2022-23, our district will celebrate the election of our very own member, Jennifer Jones, from the Windsor-Roseland Rotary club, as Rotary International's President, and is the first woman to serve in that position. President Jennifer and husband Nick Krayacich, a

member of the LaSalle Centennial Rotary Club, will embark on an Imagine Impact Tour around the globe to showcase Rotary's Areas of Focus. District 6400 clubs are asked to participate in our own Day of Impact on **Saturday, September 17, 2022**. Clubs can select a service project of their choosing; big, small, new, or current, in order to demonstrate the power and impact that service can make in one day by 52 clubs. Multiply that impact by 365 days per year and by the number of Rotary clubs in the world () and you can see the power of that Rotary service can bring to the world. Let's all have a great day of fun and service! I plan to personally attend as many projects as possible that day.

Official District Governor visits to our district's clubs begin in July. I am so excited to connect with our clubs; to share your successes and stories of the impact your work has in your communities. In addition, if there are projects, events, and activities you would like the District Governor to attend, please let your Assistant Governor know so that I might get that information on the calendar.

Here are accomplishments that I hope that district can achieve this year:

- Increased collaboration between clubs
- Net membership increases of 2% and a retention rate of 100%
- Demonstration of the impact of Rotary
- Alignment of the District Strategic Plan with the Rotary Action Plan
- District Leadership Program that includes diversity and inclusion
- Year-round training opportunities for clubs

Thank you for the opportunity to serve as the District Governor for our amazing district this year. I am honored and humbled to represent all of you this year as we **IMAGINE ROTARY** together!

Presidents' Gala

We had a great turnout last Thursday for our President's Gala. While it was technically the (re)installation of the president and officers, we also took a moment to honor our past presidents, who have helped shape the club we have today.

The club also honored member Mary Kay Gallagher with a Paul Harris Fellow award, on her retirement as superintendent of Northville Public Schools, for her contribution to the community over the last 37

years.

Thanks to everyone who came to the event, and huge thanks to Kevin & Michele Kelly for hosting. It was a fabulous time!

If Rotary is to realize its proper destiny it must be **EVOLUTIONARY** at all times and **REVOLUTIONARY** on occasion.
