## Rotary Round-Up

*A between-meetings collection of what's happening with our Club, our District, and Rotary International*

---

### Tuesday Lunch

Our next meeting is Tuesday, June 14. The sign-up for lunch is now active (link below).

Please sign up if you are planning to attend. Now that we are getting the buffet lunches, if you forget to sign up, you can still have lunch; we'd just like to provide as accurate as possible a count to the caterer.

<https://www.signupgenius.com/go/10c0f4cacab2fabf4c70-meeting2>

Please note, you do not have to purchase a lunch to attend the meeting. You can skip lunch or bring your own.

#### Lunch Punch Cards

If you'd prefer not to have to deal with paying for lunch every meeting, consider a pre-paid lunch punch card. They are now available in blocks of 5 (\$75) or 10 (\$150) lunches. You will be required to have your punch card with you at the meeting -- if you forget it, you will need to pay the \$15 fee that week. (Don't forget we can take PayPal or Venmo, as well.) See Alan Somershoe or Lynne Badeen for a card.

Thank you for your prompt attention!

---

### Rotary Well Watering

We are in need of volunteers to water the flowers at the Rotary Well in Northville. We will need consistent watering, about every other day. Please sign up at the link below; Susan Cobello will then create a watering schedule from the volunteers.

*Below is information from Diane Pittaway who planted the flowers:*

The flowers may need to be watered at least every other day if weather is hot & dry. The flowers along the retaining wall are going to need more water because of the tree roots and tree canopy. It is most effective to water at the ground to make sure the water soaks into the soil. The flowers in the barrels could be overwatered (not good) if the soil is not checked first.

The best way to tell if they need water is to feel the soil or if see they are drooping. The flowers in the barrels are petunias, superbells, and a lantana. The flowers along the retaining wall are impatiens. The plants behind the bench of the flagstone walk are hydrangea. They are perennial but need water too.

Here is the link to the sign-up genius for the Rotary Well watering. Please sign up when you have a chance.

## Meet the Governor Event

**Tuesday, June 28**

The Harrow Rotary Club is hosting the annual "Meet the Governor Night" for District 6400 on Tuesday, June 28, 2022.

The guest of honor, of course, is our own Traci Sincock.

"Meet the Governor Night" will be held at the Camoes Portuguese Club, 390 Sinasac Street West, in Harrow. Social hour begins at 5:30 pm with dinner at 7:00 pm. The price for the evening is \$45.00 in Canadian currency or \$40.00 in US currency.

We had talked about renting a bus with the Plymouth club -- unfortunately, none of the companies are currently crossing the border, so no bus this year.

**This is an RSVP event - please let me Jennifer by Saturday, June 11 if you plan to attend. Email [rcnpresident@gmail.com](mailto:rcnpresident@gmail.com) or call 248-787-4672**

## Virtual Tutor Volunteers Needed

Hello Northville Rotary Club,

I hope all is well with you. My name is Aryeh and I work for a nonprofit organization called Brilliant Detroit. Our mission is to create what we call Kid Success Neighborhoods - communities where kids 0-8 have everything they need to be safe, healthy, and school-ready. Our locations are rehabilitated houses that serve as "micro community centers" in the neighborhoods in which they are located. We currently have twelve sites in Detroit where we offer programming.

I am reaching out as we are seeking new volunteers for our virtual literacy tutoring programs and I thought this opportunity might be of interest to the members of the Northville Rotary Club. We are currently seeking tutors who can support our summer programs from July 11th-August 19th. We will also be offering tutoring during the school year starting in the fall.

Our virtual literacy programs meet twice a week for 30-45 minutes. We have a few program partners that utilize unique curricula and offer slightly different schedules. All of our literacy tutoring programs operate within the window of 3:30-7pm from Monday to Thursday with a variety of start times in that range. We ask that volunteers commit to a certain day and time slot every week. Consistency has shown to make a huge impact on our students' literacy and confidence!

To become a tutor, one must attend a program training, pass a background check (we cover the cost), and attend a Diversity, Equity, and Inclusion training. There is a [document that outlines the three programs](#) we will be offering this summer. If anyone would like to serve as a virtual tutor, I am happy to answer any questions they may have and get them going with the onboarding process.

Best,

Aryeh

## District Conference Redux

District Conference 2022 was a lot of fun and featured some fantastic speakers and presentations. Members at the last meeting saw Jennifer Jones' speech, but if you missed it, or if you'd like to see some of the other speakers, the recordings are now available on YouTube at:

[https://www.youtube.com/playlist?list=PLjzfO4-stfpalbDzxA9Yz\\_EHLROYMh3p8](https://www.youtube.com/playlist?list=PLjzfO4-stfpalbDzxA9Yz_EHLROYMh3p8)

A photo album from the Conference is also available online at:
