BE THE INSPIRATION

"LET'S GET ENGAGED!"

Our meeting began with fellowship and the meal. Thanks to the Kensington for preparing a meal each week.

President Wilder lead our meeting with the Pledge of Allegiance and the Four Way Test. Lee Johnson lead us in prayer.

Stacy Rucker lead us in song. Today our song was "Happy Birthday" for all the March birthdays. (Piano really helps)

We had a few happy people giving "Happy Bucks" keeping Will busy.

There was an update on member Rick Brown's condition from Tom England who said Rick is being very strong and never complains. (We miss you Rick)

Dick Gilbert mailed a program from Don Brown's funeral and is available for anyone to look at.

President Wilder read a card of thanks from Don Bown's wife Nancy Brown who wrote how humble Don would be for all the Rotarians who attended his memorial service and how much Don loved Rotary.

President Wilder stated he met with the Interact club at the Knoxville High School yesterday. (Teacher) Erin Crawford, who is in charge of the Interact club in Knoxville, are planning a religious fair in a couple weeks, a get together with the Galesburg High School Interact Club for some activities, work with the F.I.S.H. program, and volunteer at the Rootabaga Jazz Festival.

Dot Hopkins announced ticket sales are way down at this time for the April 4th Dinner tickets. (3 weeks away) Dot advised only 3 tickets have been purchased. If you plan to attend let Dot know as time is getting away from us and to make this work those attending need to purchase their tickets. Next week Dot would like to begin collecting donations of wine for the wine pull.

Ads for the Choral Dynamics are selling and any Rotarian can purchase a patron ad if they wish.

Karrie Heartlein announced there is a need for a Galesburg host family from August-mid November 2019. A student from Denmark named Paul, who comes from a farming family will be our inbound student. There is already a host family for the second half of the year but If anyone is interested contact Karrie or Harold Watters.

Chris Ryner announced the books have arrived and we will need assistance in the near future sorting books. There will be a meeting next week after our Thursday Rotary meeting if anyone wants to attend.
