## The FIZZ - March 20, 2023

### Volume 104, Number 38

### March 20:

In 2022, our club participated in a "[100 in 100](#)" vision project outside of Mexico City, where 298 children were given eye exams and 75 of those identified with vision problems received eyeglasses. It is estimated that 25 percent of children in Mexico's elementary schools need glasses. The children who received glasses received the ability to see clearly, think, and learn! (Source: [Rotary District 6490 Newsletter, July 2022](#))

Our own **Connie Walsh** and **Andréa Fain** will present highlights of this effort.

NOTE: This meeting is expected to take place in-person at the Holiday Inn Champaign. It will also be offered online, via [Zoom](#).
