## The FIZZ - May 15, 2023

**Volume 104, Number 45**

### May 15: Age-Friendly Champaign-Urbana

**Wendy Bartlo, Ph.D.** is the Assistant Director of the [Center on Health, Aging, and Disability](#) at the University of Illinois Urbana-Champaign, where she manages research development and strategic initiatives for the College of Applied Health Science and Age-Friendly Champaign-Urbana. Prior to joining the U of I, Dr. Bartlo was a pre-doctoral fellow at the Institute of Gerontology at Wayne State University, where she completed a dissertation on older adults in Detroit neighborhoods.

Age-Friendly Champaign-Urbana, a local initiative with the mission to "work with community members and local leaders to make Champaign-Urbana more livable for older residents. By developing an awareness of issues faced by older adults in our community, we strive to create a community that is livable and safe for all." Dr. Bartlo will also speak about older adults and ageism and how it is expressed in everyday language and interactions.

NOTE: This meeting is expected to take place in-person at the Holiday Inn Champaign. It will also be offered online, via [Zoom](#).

### Happy Mother's Day!

By Lauren Gramly on Sunday, May 14, 2023

## May Cup Recipient: Hospice Hearts

By Lauren Gramly on Sunday, May 14, 2023

Established as an independent organization in 2015, Hospice Hearts is an all-volunteer, foster-based animal rescue in Central Illinois. Hospice Hearts provides care to cats and dogs whose owners are no longer able to care for them due to nursing home admission, serious/terminal illness, or death. Hospice Hearts is proud to offer an alternative for these beloved pets when their owners are no longer able to care for them.

A 501(c)3 tax-exempt organization licensed by the Illinois Department of Agriculture, Hospice Hearts serves cats and dogs in a foster care environment until time of adoption. As space permits, Hospice Hearts accepts pets directly from owners in need as well as transfers from shelters and animal controls, who are located in Central Illinois, meeting their criteria.
