## October 2022 Cup: Urbana Neighborhood Connections Center

October Cup donations support the Urbana Neighborhood Connections Center. The Urbana Neighborhood Connections Center plays a vital role in the lives of more than 50 unique and talented K-12 students in Urbana public school District #116.

Every school day, from the time the school bell rings until 5:30pm, each UNCC learner is provided a nutritious meal, help with their homework from staff and peer mentors and the opportunity to participate in a wide array of enrichment activities, including cutting-edge digital literacy education programming as well as exposure to role models from the community. They bridge gaps in academic achievement and social inclusion for some of the most underserved neighborhoods in our community.
