Club of Mattoon

11.02.22 Meeting Notes

By Larry Nichols

ClassE etiquette luncheon...different structure to this week's meeting as Rotarians were matched with ClassE members and had a chance to share experiences and network. President Tina shared Rotary history with the attendees noting the founding of Rotary in 1905 and our Club in 1921. She highlighted Rotary service efforts ranging from Polio Eradication and other international efforts to community service projects such as our Food Drive, Lightworks, Peace Meals and so many other local projects. She noted that upcoming is the Mexico outreach project. Tina also remarked that some of our members have served the community for several years noting Malcolm's 47 years of service.

Sergeant at Arms Rick Hall detailed the Sergeant at Arms function before threatening to fine our guests, explaining the fines help support our Club's efforts. He did offer to let them share their brags and some responded with being happy over a math test score, beating Charleston's soccer team in the regionals or

opining that basketball is better than football.

Malcolm O'Neill reported on our **Rotary football pool** noting 16 participants last week and half had 8 picks correct. The winner and second place finisher were selected by tiebreaker...Aaron Ifft and Mike Martin.

President Tina reminded all that **Mattoon Lightworks and our Food Drive are upcoming**. If you want to help with Lightworks, call Alex Hagen (all shifts are filled but more help could always be used). Please plan to be available for the Food Drive...our only mandatory service project.

Raffle tickets are available. All should plan to sell and return the funds for ticket sales. Returning funds timely help with the management of the fundraiser.

Past President Kim helped with the etiquette portion of the luncheon and all attendees were invited to discuss a number of items suggested by cards left on the tables. As a result, a better understanding of the Class E members and Rotarians were reached and at the end of the practice the Class E members introduced their new Rotary friends to the others at the table.

The **Triple Treat** was claimed by Larry Larvick for \$16 leaving the larger prize for next week.
