Presidents Message

By Matthew Kubik

Fellow Rotarians

The term "People of Action" reflects Rotarians' hands-on approach to service, emphasizing their readiness to take initiative and contribute their time, skills, and resources to tackle pressing societal issues. It encapsulates their proactive stance in making a difference and exemplifies their dedication to humanitarian ideals.

As a club, we have a long tradition of financial support for many local initiatives. However, we do not often make the group effort to give out time or energy to improving our community. This

August we have two opportunities to show-up, be present and be visible as change agents in Michigan City.

1. Rotary sponsored Beach Breakfast and Clean-up. Monday, Aug 5, 7am-9am. Come on down to Washington Park for an after-boat race weekend beach clean-up. Buckets and grabbers will be provided with instructions on cleaning given by Rotarians Mike Kilborne and Nora Ryszka. We will be broadly promoting this for members of the community to join us.

2. Michigan City Police Department invited Rotary to participate in a National Night Out event on Tuesday, August 6, 5 -8pm at 7th and Franklin Streets. We will be taking part in this nationwide event with the goal of enhancing the relationship between law enforcement and our citizens in Michigan City " especially focusing on youth. We will have an information table with giveaways. We will also take Polio eradication donations and paint purple pinkies.

Overall, Rotarians are recognized as individuals who embody the spirit of service and demonstrate through their actions the potential to create a better world for all. Here are two events for Michigan City Rotarians to take action.

Yours in Service,
Matt Kubik
