**Scott Fussell, Founder
The Shift Initiative**

Faith. Family. Friends. (And you're among them.)

Those are his priorities. And in the space between Scott's ears, there's a LOT of activity there. Sometimes really good ideas even come from there. A couple of years ago, this idea for a new way to look at mental health and wellness began to come about in that very space we just described. After reaching out to his circle of game-changers, The Shift Initiative was born.

The product of two educators who taught him to dream big and serve bigger, Scott moved to the Indy-area almost 25 years ago. After settling in Fishers with his family, he began to get involved in the community. His church, the running community, and youth sports were mainstays. In 2019, after becoming keenly and personally aware of the mental health crisis our community and country is experiencing, this issue became and continues to be his passion.

Professionally, Scott serves as the educational programming lead for a nationwide property management company. Personally, he's the proud dad of an amazing daughter and an inspired husband of a world-changing wife. The Fussells live in Fishers, IN with their lab, Lincoln.

Join our Club Social Event!

The Social Committee would like to invite you out for a couple hours of fun on Thursday, September 14th at 4:00pm. We'll be meeting at the Indiana Gun Club for a little Clay Pigeon Shooting! This has been a popular event in the past and is a lot of fun---for those that have participated in the past and for anyone that has never tried this sport. (Don't worry if you have never tried it, we'll show you how to hit 1 target at least!---and this is a very safe environment to shoot!)

When: **Thursday, September 14th, Starting at 4:00-6:00pm. Show up 10-15 minutes before if possible.**

What: **Clay Pigeon Shooting. Take a shotgun, point, follow, shoot! Watch little orange targets explode in the air! (Some of them at least!)**

Where: **Indiana Gun Club: 14926 East 113th St. , Fishers, IN (They provide everything we might need---except maybe bring your own ear plugs and safety glasses)
If you want to bring your own shotgun, please call the Gun Club and get approval first and bring your own shells. (317-485-6540)**

We'd like to get a few groups of 4 to go out together. Cost will depend on the number of people that RSVP, but the assumption is that it'll be somewhere between \$40-\$60 per person. (Will pay the gun club at the event)

If you will, please RSVP Jim Wolf if you can attend at: jimbwolf@yahoo.com

You can also text me at 317-627-1993

Any family member, guest or potential new member referrals are welcome to attend if over 18 years old.

I might get together afterwards for a drink or some food at my house afterwards if people are interested!
