Upcoming Program

**January 19th at 7am:
American Legion
9091 E. 126th St., Fishers**

**Emily Reynolds, Executive Director
Nickel Plate Heritage Railroad**

Emily Reynolds grew up in Hamilton County and is passionate about being a part of this thriving community. Emily's dedication to serving others began at a young age when she actively participated in a community service-focused club during high school. This early involvement ignited her love for making a difference and serving her community. She studied non-profit management with a focus on political science at IUPUI and later on completed a certificate in accounting to help her understand the financial side of running an organization better.

With over 20 years of nonprofit knowledge, Emily brings a wealth of experience to Nickel Plate Heritage Railroad (NPHR). Her previous roles at organizations like Early Learning Indiana, Servants at Work, and Kiwanis International have equipped her with a diverse skill set. She is well-versed in fundraising, event and volunteer management, and thrives in the dynamic environment of a small nonprofit.

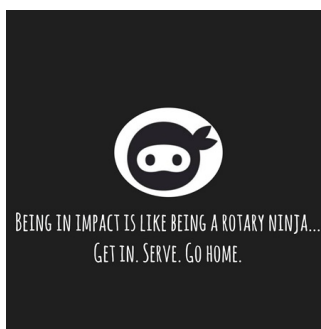

Since joining NPHR in March 2021, Emily has made significant strides in driving its success. Through her leadership, revenue has increased by over 40%, introducing new and unique rides that draw in passengers from across the Midwest and increased repeat passengers.

Emily and her husband, Travis, reside in Noblesville with their two dogs. She has three children, with the youngest being a Sophomore in college. When she is not working, she enjoys local wineries, restaurants, traveling and reading a good book.

Rotary Impact Club

FISHERS ROTARY IMPACT CLUB - TONIGHT!

January 18th, 6:00-7:30, Fishers Library Meeting Room

Happy New Year! We now have a date, time and place! It was suggested that we start off the year by making an immediate impact by joining in on our city's efforts to restock our food pantries after the busy holiday season. On the 18th we will be collecting any items you or your neighbors have in your pantry that you can spare or know you won't be using. This includes your bathroom pantry with extra toothbrushes, shampoo etc. Reach out to your neighborhoods to collect whatever you can and get the kiddos involved. At our meeting we will be reviewing our project options. Some great ideas have already been suggested, and I can't wait to share them. Remember this is your club, so do share your ideas! Also, a reminder feel free to bring family, friends and kids (we will have a special kids activity table set-up).

If you have any questions, email or call me 813-334-5503.

See you there!

Karen

What is IMPACT Club?

Time is a precious resource. We are all becoming experts at multitasking, being more productive, and trying to do it all. While we run the race of daily life, we find that something is missing. We can identify that missing piece as an unfulfilled need to serve our communities.

Everyone has this need. We all know about the wonderful non-profit agencies and service clubs in our own communities. They are well organized, with members attending regular meetings and social hours. Unfortunately, not everyone has time to attend these worthwhile events. They do, however, have time to serve.

IMPACT was formed to meet the needs of individuals who recognize their personal drive to serve but cannot commit to regular meetings. IMPACT started as a companion club (officially called a "satellite") recognizing the need for an organized structure and an opportunity to quickly perform service between individuals' busy schedules.

SAWs 2024!

By Scott Tornquist

The Fishers Rotary Club plans to build five (5) SAWs ramps in 2024. Scheduled projects thus far include:

- Saturday, May 18 (4-5 remaining open slots)
- Saturday, June 18 (4-5 remaining open slots)
- Saturday, August 10 (4-5 remaining slots)

Builds are added to the Club calendar on DACdb as they are scheduled, as are the names of Club members that will be on the build.

If you'd like to register for a build please inform Scott Tornquist (scott.tornquist@gmail.com; 3174735478) so we can reserve a spot for you!

SAWs® is a nonprofit, volunteer organization founded in 2003. Originally started in Indianapolis, our organization serves clients across Indiana, as well as Arizona and Virginia. We specialize in building wooden wheelchair ramps for low-income, permanently disabled individuals. With the support of our donors and volunteers, lives are changed one ramp at a time and in less than six hours we transform a client's life FOREVER.
